they cannot cure.

SYMPTOMS OF CATARRH.—Duli, heavy headache, obstruction of the masal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, nucous, purulent, bloody and putrid; the eyes are weak and watery; there is a ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of effensive matter, together with scabs from ulcers; the voice is changed and has a "nasal swang"; the breath is offensive; smell and mate are impaired, there is a sensation of dizziness, with mental depression, a backing cough and general debility. Only a few of the above mamed symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing and healing properties, br. Sage's Catarrh Remedy cures the worst ases of Catarrh, "Cold in the Head," loryza, and Catarrhal Headache. d by druggists everywhere; 50 cents.

"Entold Agony from Catarrh."

Prof. W. HAUSNER, the famous mesmerist, of Ithaca, N. Y., writes: Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hearse I could barely speak above, a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Oatarrh Remedy, in three months, I was a well man, and the cure has been permanent."

Constantly Hawking and Spitting.

Thomas J. Rushing, Esq., 2002 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought sothing could be done for me. Lucktly, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valu-ble hints as to clothing, diet and other matters f importance, will be mailed, post-paid to any ddress, on receipt of a two-cent postage stamp.
